For more than 15 years, Fox Valley Nutrition, INC. has manufactured from Day One species specific technology along with research, development, and services.

Fox Valley
ANIMAL NUTRITION, INC.

Day one formulas are species-specific formulations having the required protein and fat for neonatal growth. Recommended for those neonates who are orphaned or will not, or cannot suckle on their own.

"SAVING LIVES FOR 10 YEARS"

- All-milk protein from premium food-grade milk ingredients
- Complete complement of vitamins and minerals
- Balanced fatty acids including medium chain fatty acids for easy digestion
- No Refrigeration needed after opening
- Available year round, no minimum order (20# 8#)
- Sturdy Pail with handle & reusable lid

We specialize in serving the wildlife, domestic, and exotic-animal rehabilitator.
